Rural Municipalities Nominate Candidates for Office.

It may be nomination day for the new municipalities being organized here. The following men were nominated:

SUNNY SOUTH
 Benson, Philip.
 Gledhill, Christ.
 Cleave, J. W.
 Leitch, D. A.
 Scollard, W. G.
 Stevens, W. L.
 McKinnon, L. H.
KING
 Benjamin, C.
 Calmes, J. M.
 Dorsey, Lawrence.
 Henkle, J. F.
 Olsen, C. O.
 Frendburg, A. B.
 Schmitt, Lewis.

On next Monday elections will be held to choose five men of each municipality as councillors. There is a keen rivalry among the candidates, and close results may be expected.
 Sunny-South held its nomination meeting in the old Union Bank building here. King had his meeting in the Blue Grass school house.

TWELVE MONTHS

When one stops to consider what strides Carlstadt has taken during the past twelve months, there can't help but come an optimistic feeling. One year ago today, Carlstadt had no newspaper, few sidewalks, no streets graded to speak of, no cemetery, practically no fire protection. The number of business people has increased fully 50 per cent. A new bank building, pharmacy, three implement stores, several saloons and a number of dwellings have been constructed. The new Carlstadt hotel was opened up only slightly over a year ago. An additional teacher has been employed at the public school. In the social side of life, there has been formed a club with few equals in Alberta; a link that promises to be second to none; there is also some talk of fraternal societies. The Anglicans have organized and are planning to build next spring; there is a new Methodist parsonage.
 And so, one might go on, mentioning the progress and development.
 Boom the Busy Burg! Its onward march cannot be checked, nor its advance be stopped!

Some Recipe

Harry Johnson, of the firm Hanson & Johnson has quite a reputation as a wit. The other day a customer asked him how to make an oyster stew. "Well," said Johnson, "You take a nice fresh oyster, open its mouth and pour a little whiskey down its throat, wait 3 minutes then pour some more whiskey down. Repeat this performance until the oyster becomes stewed."

England & England can get the loan for you, \$500 to \$1500 per quarter section, according to improvements.

Mrs. Good Housewife—Have you tried the superior Reddell Hour? For sale by West Grain Co., N. E. Stewart, Mgr.

When buying fire insurance it pays to get the best. England & England have it.

Mr. and Mrs. McRitchie and family left Carlstadt last week, going to Medicine Hat, where Mr. McRitchie will engage in real estate business. During their short sojourn here, the family has made many friends who wish them success in the Hat.

There is one man above all in the Sunny-South municipality who should be elected—W. G. Scollard. Broad minded of unique toned honesty, with interests in both the southern and northern districts, and, what is more, a level-headed business man and farmer, he is well deserving of the votes of all.

A FACTORY?

A strong rumor is afloat that a brick making company is looking over the Carlstadt district with the idea of locating here. The company has its headquarters in Minnesota, but is seeking a western location.

Mayor Drummond, on being questioned by the publisher of the News, admitted the truth of the rumor, but does not care to state anything definite until negotiations are further advanced.

Will Open Another Room.

Another room will be open in the school house the first of next week. Children have been coming into Carlstadt so fast that one room was not sufficient. Miss Jessie Walker, of the Hat, will have charge of the room.

Scene: Railroad track, a dog, a train. "Bow wow!" Sounded!

A new post-office will be opened at Baby Hills, 9 miles from the Tide Lake postoffice, Saturday.

Mr. and Mrs. H. R. Bean entered the Methodist church choir and a number of friends last Friday evening; a jolly time being had by all.

TO LOCATE SUPPLY STATION

That the Imperial Oil company has great faith in Carlstadt's future and appreciates the possibilities of the present is shown in the announcement made this week that they intend to make the Busy Burg one of their distributing points. Several large steel tanks will be constructed on the C.P.R. right-of-way for the storage of kerosene, gasoline, lubricating oil, fuel oil, etc.

This announcement is an important one. The Imperial Oil Co. is by far the largest in the Dominion, and they select as the locations of these supply stations, only those towns that show substantial promise. Representatives of the company in looking over the field here, were much impressed with Carlstadt's importance, both as the center of an immense home-stead district, and as the natural gateway to the large towns of the south, where their company's product will be much in demand.

The station will be established either before Christmas, or in the early spring.

The Adenae Club social evening last Friday proved as enjoyable an event as former occasions. A large crowd was present and spent the evening in cards and dancing.

The Wise Man vs. The Fool

There are many methods of acquiring wealth.

The Wise Man will invest His dollars in something that has good foundation, solid foundation—something that shows prosperity. The Wise man will hold tight to his dollar and say "Show Me." If you can show him he invests at once. THE OTHER MAN buys any place—and then finds that he has made a poor buy.

NEWS OF THE DISTRICT**BLUE GRASS CUTS**

Inspector Brown called at Blue Grass school last Wednesday afternoon. He seemed pleased with the appearance of the school and its inmates. The following day he called at Hoekin.

Meats Benson, John Struval, George Struval, Thomas and Selma have returned from Queenstown where they were engaged in the overhauling business.

Mrs. U. Gray returned Sunday morning. Miss M. Gray returned to town to meet her sister-in-law.

The following went to the Hoekin Wednesday to "prove up." Mr. and Mrs. J. Laht, Mr. Thomas, J. Struval, C. Benson accompanied them as a witness.

Friday evening Dec 6th, Mrs. J. Laht is holding a Basket Social at her new house, the first held in this house. All are cordially invited to attend. Ladies bring baskets! Everybody come and have a good time.

Mr. Ford has returned for the winter.

Mr. Whitney called at J. Laht's last Friday evening. Mr. Whitney is a great help in the Sabbath School. Every Sunday finds him in his place in the Sabbath School.

Jack Frost is with us with all his tricks, breaking eggs, splitting logs and making himself felt in many ways. However, he's a jolly old fellow and makes great fun when skating begins.

He paints all the windows.
He freezes the toes.
And now and again
He pinches one's nose.

Peelers Postings

Walter Plaster spent Sunday with Jack Trife.

Mrs. B. Davy, Mrs. B. McLeod and Humphrey Davy spent Sunday with Mr. and Mrs. Max Brown.

Arthur Elie returned to the home-stead Saturday. Fuzzy looks hale and hearty as ever, and fully prepared for the six months siege. Wow what dope Fuzzy!

Fred Duda moved his shack on Monday from the S. E. corner to the N. W. corner of the homestead.

OLONA

Winfield Foxton is putting an addition to his house, and some of his neighbors are wondering if Winfield is going to get some one to help him keep it warm. It looks like it anyway.

L. C. Furey and Winfield Foxton were among the number who proved up last week while the inspector was out here. They both feel proud to think they are now among the land owners in Alberta.

Quite a number of the young folks around Polona attended the

dance given at the Hoekin school.

C. A. Wallace has moved into his new house, and feels as if he can now enjoy the cold weather.

Mr. and Mrs. Jack Swift spent Sunday with Mrs. Swift's mother, Mrs. Nelson of Hoekin.

Mr. and Mrs. L. C. Furey and family spent Sunday with C. A. Wallace.

John McElbreen, who has been helping C. A. Wallace building, returned to his home in Hoekin Saturday.

Webdale Warblings

The annual meeting of the River Bend Union of the United Farmers of Alberta will be held at the schoolhouse Saturday, Dec 7th, at 2 p. m.

The election of officers and the forming of a hard district will be among important matters taken up. All interested are invited to attend.

Norman Garrison has returned to his work at Red Deer, Can. Tomorrow accompanying him.

Mr. O. Kinick is having lumber hauled for a house to be built on his scrip the coming spring.

Mr. Engstrom is another of the homesteaders to return to his bachelor quarters.

Yes, Al Wilkinson's cat is dead. He killed it as its paw was frozen and it would always have been a cripple had it lived. It is better lost.

Mr. Ramsey recently visited this community in the interests of the Ramsey Company. The International has also been around.

The River Bend Sunday School held a social at the home of Mr. and Mrs. Michael Saturday evening, November 23.

Everybody at the Sunday evening attended and enjoyed to the full a musical evening. Mr. McLeod, the pianist.

At the piano contributed largely to the evening entertainment. Recitations and songs, humorous and otherwise, were contributed by members of the company.

Have you ever seen bachelor homesteaders eat cake? If not, attend the next social by all means. The girls at last regretfully took their departure unanimous in the approval of Sunday School social in general, and this one in particular.

A number of the young people of this community enjoyed the first real skating of the season, on Cut Bank lake Monday evening, Nov 26th.

One man also enjoyed a few fancy strokes in swimming, but nobody seemed desirous of copying after him in his fancy stunts.

Stewart-Clarkson Nuptials

A pretty house wedding was solemnized on Tuesday Dec 3rd, at the home of Mr. and Mrs. J. W. Clarkson, south of town, when their elder daughter, Ella Mae, became the wife of Alexander A. Stewart, with Rev. F. E. Clydale officiating.

At the hour of one o'clock the bride entered leaning upon the arm of her father and while Miss Olive Suggett of Linnenden, Sask, played the wedding march, took her place beside the groom under a large wedding hall. The room was tastefully decorated, with a large corner of flowers as a back ground for the bridal party.

The bride was prettily gowned in white marquisette, with liberty satin and pearls, over white silk and carried a bouquet of white carnations. Miss Gladys Biegar of Calgary, cousin of the bride acted as ring-bearer. Besides relatives and friends from the vicinity of the home there were present as guests, Geo. Suggett and daughter, Miss Olive of Linnenden, Sask, Mr. and Mrs. C. B. Biegar and daughter Gladys of Calgary, and Dr. J. S. Stewart M. P. P. of Lethbridge.

Mr. and Mrs. Stewart were the recipients of a variety of handsome presents from friends near and far, showing the high esteem in which they are held. Following the ceremony a sumptuous wedding dinner was partaken of, after which the happy couple left on a honeymoon to Brampton and Niagara, Ontario, and other points in the east. On their return they will take up their home on their property south of Carlstadt, where Mr. Stewart has earned the reputation of a progressive farmer.

Brown-Peters

Married, at Knex, Alta., yesterday afternoon at 3 o'clock, Miss Carrie May Peters to Ernest Brown of Carlstadt, the ceremony being performed at the home of the bride's parents, Mr. and Mrs. James Peters. The groom is well known

around Hoskin, where he has a homestead and recently built a fine new house.

After a short honeymoon, the couple will come to Carlstadt. The News joins a host of friends in extending congratulations.

A. G. Pratt bought a fine team of driving horses of Cecil Mills on Tuesday.

H. E. Kimball, of Suffield, was in and subscribed to the News on Monday.

Nomination day for Carlstadt's councillors is January 6th, election January 13th.

C. Pruet has returned to Carlstadt after an extended stay in Los Angeles, California.

Walter Ball and H. H. Harrison were to the coal mine on the Saskatchewan last week.

M. A. Hammer and family are this week moving to their homestead in the Webdale district.

E. P. Connelly and R. B. Sharpe, of Calgary, were entertained a few days at the I-ash Armstrong home.

Mr. and Mrs. Chas. Watt, of Pelee, were the guests of Mr. and Mrs. E. C. Hegy for a few days last week.

Rev. E. E. Clydale will preach next Sunday in Brooks. In his absence the service here will be conducted by F. J. Conn. The usual welcome will be given to all who attend this service. You are invited, no come. F. E. Clydale.

Woman's Auxiliary

The W. A. held two encouraging meetings this week, at the residence of Mrs. F. Woollven Tuesday afternoon and Wednesday evening, when all worked well for their sale of work on Dec 18th, of which further particulars will be published next week. At the close of the meeting Mrs. Woollven kindly gave away also refreshments, and all adjourned to meet on Tuesday afternoon next 3 p. m. at the residence of Mrs. H. C. Wagner. A full attendance of members is requested.

Your Work
Is Not Yet Over—

YOUR GRAIN MUST BE MARKETED

You have put months of labor and months of anxiety into the raising of this 1912 crop. You must now sell your crop to the best advantage. You used the most up-to-date methods you knew of in raising it, and it is now up to you to use the most up-to-date methods in selling it.

No matter how, when or where you sell your crop, the great bulk of it eventually finds its way to the CENTRAL market where the price is regulated by its value on the world's markets.

The price at the CENTRAL market less the cost of getting it there, fixes your net price at the farm.

Your problem then is to get your grain on the central market at the smallest cost.

Freight charges do not vary, but the toll of the middle man who handles your grain does. Elevators and elevator operators cost money and it takes a large toll to keep them going. Track buyers must live, and they must send the grain they buy to some commission firm to handle for them. This toll is a little smaller, but still too large.

The Commission Firm with no paid agents and only a Central Organization doing business by mail can and does handle your grain for the smallest possible toll. The Grain Growers Grain Co. is more efficient than any other.

There are over 12,000 farmers in the West who have their own commission firm, the Grain Growers Grain Co., perfected the best organization in the West for handling grain, and in this space for a while they will tell you facts why you should ship your grain to
